## EXHIBITOR MOVE-OUT NOTICE

### **PRIOR TO CLOSE OF SHOW:**

- **All balances must be paid in full.**
- CS+I Service Desk will be manned 1 hour prior to close of the show to assist with outbound shipping needs. **Note:** Material Handling Charges will apply to all shipments.
- Stop by the CS+I Service Desk to pick up your Outbound Bill of Lading for outbound shipments. Any and all outbound shipments, regardless of carrier (including POV's), **MUST** have a completed Outbound Bill of Lading returned to the Service Desk prior to leaving show site.

### **SHOW CLOSING:**

- For your safety, do not dismantle your booth until the show officially closes. If there is aisle carpet, please do not place any items in the aisles. All aisle carpet will be rolled up and removed immediately.
- **EMPTY CONTAINERS WILL BE RETURNED AFTER THE SHOW CLOSES AND ALL AISLE CARPET HAS BEEN ROLLED UP (if applicable). TO EXPEDITE THIS PROCESS, PLEASE KEEP THE AISLES CLEAR AND YOUR ITEMS INSIDE YOUR BOOTH SPACE.**
- Exhibitors are not allowed to search in trailers, storage or other areas not designated as common areas.

### **SHIPPING OF MATERIALS:**

When your materials return from empty storage, remove all old shipping and "empty" labels. Be certain each box is labeled with the NEW DESTINATION ADDRESS. Blank shipping labels are available at the **CS+I Service Desk**.

- When done packing, leave shipments in your booth space.
- If you have multiple boxes/cases, group pieces together (per destination/shipment) so a stray piece will not be overlooked.
- Return completed Outbound Bill of Lading to **CS+I Service Desk** once you are packed & ready to ship.
- If you are using any outside carrier, including **UPS or FEDEX**, you **MUST** call them to arrange on-site pick up. **Be advised that most carriers do not pick up outside of regular business hours (i.e. Weekends or after 5pm on weekdays)**
- Any shipments left on the show floor, **REGARDLESS OF CARRIER**, must have a completed Outbound Bill of Lading.
- If outside carriers do not arrive by the carrier check in time to pick up shipments, the shipments will either be re-routed using one of our preferred carriers, or returned to the CS+I warehouse (if applicable), with additional fees charged to the exhibitor. **NO** shipments can be left on the show floor for later pick-up.

### **CLEAR OF THE VENUE: (applies to all exhibitors)**

- The Venue must be cleared during move out; **NO shipments, NO booth materials**, can be left on the show floor for later pick-up.
- Any materials left on the show floor at the end of exhibitor move-out, per the show schedule stated on the Show Information (page 3), will be considered abandoned and disposed of.
- If you are unable to pack up and remove your booth items, please make arrangements with CS+I, at the Service Desk prior to the show close.

## IMPORTANT INBOUND MATERIAL HANDLING/SHIPPING INSTRUCTIONS

It is the responsibility of the exhibiting company to arrange any and all shipments to the Convention-SI warehouse or the Venue.

**ADVANCE SHIPMENTS** – Receiving begins 30 days prior to exhibitor move-in. Shipments must arrive at the warehouse by no later than **Thursday, May 16, 2024**. Shipments arriving after that date will be received; however, additional charges will be incurred (per the attached rate sheet). Warehouse receiving hours are **Monday-Friday, 9:00AM-3:00PM (closed all major holidays)**. Shipments arriving outside of those hours will incur additional charges per the attached rate sheet.

**REMEMBER NOT TO SHIP YOUR MATERIALS TO THE VENUE PRIOR TO THE ASSIGNED EXHIBITOR MOVE IN DATE OF:  
5/22 & 5/23 OR ADDITIONAL CHARGES WILL INCUR.**

**DIRECT SHIPMENTS** – Are highly discouraged. Shipments that must be directed to show site can only arrive **during exhibitor move in hours**. Early shipments may be refused. Convention-SI is not responsible for loss or damages to shipments that are delivered to the Venue prior to that date. **Items shipped directly to show site and handled by Convention-SI personnel will be charged drayage/material handling per the rate sheet enclosed. Shipping direct to show site may incur additional facility fees at the exhibitors expense.**

**CONSOLIDATE YOUR SHIPMENT AND SAVE** – Separate shipments received by CS+I will not be combined. The minimum 100lb charge applies to each separate shipment that CS+I receives. Shipments arriving at the same time from different destinations are considered separate shipments. Please be aware that FedEx and UPS may split shipments resulting in CS+I receiving multiple shipments.

**ALL SHIPMENTS MUST BE SENT PRE-PAID; NO COD'S WILL BE ACCEPTED.**

**OUTBOUND SHIPMENTS** – Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the CS+I Service Desk. **Do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the official show carrier must make arrangements with their carrier to be checked in at the CS+I Service Desk by the driver check-in time specified on the *Show Information* page. Drivers are placed in line for loading on a first come, first serve basis, provided the exhibitor is completely packed and a Outbound Bill of Lading has been turned in to the CS+I Service Desk. Drivers whose Outbound Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Outbound Bill of Lading is turned in. Should your carrier fail to check in by the designated time or refuses to pick up your shipment, CS+I reserves the right to re-route such shipments via the official show carrier as necessary, at the exhibitor's expense.

**NOTE:** Any items left on the show floor will either be brought back to the CS+I warehouse and additional charges will be incurred, or re-routed with CS+I's designated carrier at the exhibitor's expense. By shipping your products to CS+I and/or the Phoenix Convention Center - Halls 1-6 (Lower Level), you agree to the terms and conditions outlined in the Limits of Liability section of the service kit.

## CREATIVE SERVICES – ARTWORK SUBMITTAL GUIDELINES

### CS+I Creative Services

Large scale event printing can be foreign territory for those who are used to working with publication sized media. Our desire is to provide you with the best quality graphic design and production for your event or exhibit. You can help us in that effort by submitting digital art files using the following artwork guidelines. If you are sending us completed, Print Ready files, please pass this information on to your Graphic Designer for reference. If you are working with a CS+I Creative Services Designer to create a new show look or to design an exhibit, please include any information that might be relevant to translating your brand and incorporating it into your event or exhibit.

### Acceptable File Formats

**We accept native files from the following programs:**

- Adobe Products: Illustrator (.ai), InDesign (.indd), Photoshop (.psd)

**Other file types we can work with:**

- Acrobat (.pdf), Encapsulated Post Script (.eps), Tagged Image File Format (.tiff), Joint Photographic Expert Group (.jpeg or .jpg)

**Files need to be converted to CMYK with a minimum DPI of 300. Increase DPI accordingly for scaled document sizes.**

### Artwork Setup

- Keep in mind that here at CS+I we work on PCs; all MAC files will need to be converted in order for us to open them. Only use letters, numbers, hyphens and spaces in your file names, and avoid using any special glyphs or characters.
- All graphic files should be set up using CMYK color profiles. If your files are set up in RGB and we convert them here, there may be a substantial difference in your color choices.
- Graphic dimensions that exceed 200" in width or height should be set up at 50%. If the files you are submitting are not set up at full scale, please make a note of the scaled percentage in your file names.
- It is highly recommended that you provide a preview PDF of your unit, panels or graphics as you intend them to be printed. This helps us to visually detect common errors such as missing fonts, missing links or images, and other issues that may vary from computer to computer.

### Uploading Artwork

Files under 10MB can be forwarded through email. Larger files, or multiple files, can be submitted to our Creative Services department by using any common online file share method such as DropBox, Box.com, Hightail, WeTransfer, 4Shared, GoogleDrive, etc).

**For questions about CS+I Creative Services or prepping your files for submission, please email us at: [graphics@Convention-SI.com](mailto:graphics@Convention-SI.com)**

### Logos

Logos are an important aspect of event branding and sponsorship programs. Please make sure that you provide us with vector versions of your logo and your sponsors logos if you plan on utilizing them graphically.

### Fonts

In print ready artwork, please convert all fonts to outlines. If there's a chance your graphics may need to be altered before printing please do not outline your fonts. Instead, provide files for any fonts used in your documents. If we are designing your graphics for you, please include files for any fonts you would like to be used.

### Links

Please properly package any artwork that is externally linked inside your native files. Missing links can cause your files to launch with errors, and we will not be able to print your artwork correctly without them.

### Design Time & Capability

- Graphic pricing does not include design time or prepress file preparation. Art submitted that is not print ready according to the guidelines listed here and require modification will be reflected on your final invoice at \$90.00/hr.
- CS+I Creative Services Design team is here to help you achieve an eye-catching show or exhibit look. We're happy to work directly with you or your in-house designer to ensure your graphic elements are visually impactful and make the best use of your space. Please speak with your Exhibitor Services Coordinator to start conceptualizing your look!

The following is a description of the work rules and an outline of union jurisdiction. CS+I has skilled, friendly and quality conscious employees in Arizona available to assist you with most aspects of your exhibiting experience. Arrangements for labor and other services can be made through the forms provided in this exhibitor service kit.

### **Booth Labor**

Currently, we have an agreement with the Local International Alliance of Theatrical and Stage Employees (IATSE). Members of this union claim jurisdiction over all setup and dismantling of exhibits, furniture installation, pipe and drape, hanging of signs and laying of floor coverings and unloading and delivering of all display related materials.

  - B. Non-official contractors must furnish proof of adequate insurance, in the form of an original copy of a policy rider listing CS+I as an additional insured, furnished by their broker to CS+I office no less than thirty (30) days in advance of actual installation dates.
  - C. Non-Official contractors must furnish show management the names, addresses and telephone numbers of key executives for emergency contact.
  - D. All personnel must wear proper identification at show site.
- All non-official installation and dismantle contractors will be allowed on the exhibit floor only during installation & dismantling hours, and must be identified with a temporary work pass, either supplied by show management or the official service contractor.
- Exhibitors that plan to setup and dismantle their own booths or equipment, with their own employees, are not required to fill out the Non-official contractor's form or send in proof of insurance.

### **Material Handling**

Exhibitors are allowed to unload a mini-van, car, station wagon or pick-up. Exhibitors may use hand-operated equipment that the Exhibitor has provided themselves such as, two wheeled hand dollies and four wheeled flat carts. The use of fork trucks, pallet jacks and any other mechanical equipment is not permitted by anyone other than CS+I. Any crated materials must be handled by union personnel.

### **Gratuities**

CS+I requests that exhibitors do not offer gratuities to our employees, as they are paid an excellent wage denoting a professional status. Any request for tips should be brought to the attention of a representative at the CS+I Service Desk.

### **Safety**

Standing on chairs, tables or other rental furniture is prohibited. Rental furniture is not made to support standing weight. CS+I cannot be responsible for injuries or falls caused by the improper use of furniture. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of material from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booths unattended. Therefore, it is agreed that CS+I and its subcontractors shall not be liable for the loss of, disappearance of, or damage of any items left in the booth unattended at any time. Consequently, all bills of lading covering outgoing shipment(s) submitted to CS+I or its subcontractors by the Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.

Insurance, if any, shall be obtained by the exhibitor. Amounts payable by CS+I under this paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. Provisions of this paragraph shall apply if Exhibitor's property is lost or damaged through performance or non performance of services by CS+I, or from the negligence of CS+I, its subcontractors or their respective employees. If such loss or damage occurs, the liability of CS+I and its subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Exhibitor's agreed-upon damages and exclusive remedy.

8. CS+I will not be bound to honor any claim or action brought against CS+I or its subcontractors more than 60 days after the date of incident.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that CS+I and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper.
